PRESS STATEMENT

BRANDING OF RACEHORSES IMPORTED FROM MACAU JOCKEY CLUB (MJC) INTO MRA

Racehorses imported from MJC into MRA are already branded with a letter and a number. In accordance with MRA Regulation 3.2, the Veterinary Surgeons with the approval of the Stipendiary Stewards had decided to remove the need to re-brand the racehorses from MJC as they already have a distinct and permanent freeze brand marking.

2 Please note that MRA would register racehorses imported from MJC with their existing brand numbers ignoring the zero/s in front of the brand numbers. Examples of which are as follows:

NAME OF HORSE	MJC BRAND NUMBER	MRA BRAND NUMBER
AERAS	P084	P84
CHARITY GOLD	P122	P122
DESI PRINCE	N067	N67

Issued by Secretary, MRA (Malaysia)
